See the list of materials supplied in annex.

### DELIVERY

- Minimum delay of four (4) weeks.
- The materials are forwarded to the customer by truck.
- First shipment is included for a distance of 1000 km from Ste-Agathe.
- The second shipment is extra at 2,16 \$ for each Km covered (see models with \*\*).
- Upon delivery, you must have some workers or a boom truck to unload the kit.

### PAYMENT CONDITIONS

- A 15% deposit (not redeemable) is payable upon signature of the sales contract.
- The balance is payable thirty (30) days after delivery by providing guarantee of credit documents.  
This guarantee of credit documents must be in our possession before we begin production of the kit.  
Otherwise, a certified cheque will be required upon delivery.
- A 1 ½% discount will be granted if the kit is paid in full by certified cheque on delivery.
- GST & PST are included in prices.

### NOTE

- Custom made projects: prices on request.
- Erection of the log walls is included.
- 89 mm (4 in) or 114 mm (5 in) pine logs are optional; 64 mm (3 in) is standard.
- Also available in option: "D" shape logs of 95 mm (4").
- Inside drop siding is a horizontal pine siding that have the same profile as the outside logs, supplied in open areas of the main level.

Prices are subject to change without notice
